Precautions

Take special care to follow the safety instructions listed below. Please keep these instructions for future reference.

Before Using

* Remove any plastic and sponges and please check there is no damage to the AUTO ZR Reactor body, inside tube, Motor and AC/DC adapter.
* Please ensure that the Motor does not come into contact with any water and DC socket are easily damaged by water.

Safety

* If there is smoke or bad smell coming from Motor and AC/DC adapter, remove the plug from the socket immediately.
* The power supply cord and Motor cord should be placed where they are not in danger of being stepped on or crushed.
* Never take hold of the plug or cord with wet hands. Always grasp the plug body when connecting or disconnecting.
* This AUTO ZR Reactor is exclusively for use with aquarium systems. Please do not use for any other systems.
* For safety purposes, do not modify or polarize the Motor and AC/DC adapter.
* Please ensure that you keep the AC/DC adapter clean.
* Only use the plug that is supplied with the Motor.
* NEVER OPEN Gear Box Cover! It’s very dangerous.

Warning

* PRS WILL NOT BE LIABLE for damage to aquariums, any water damage to areas surrounding the aquarium or any other consequential damages resulting from use of This AUTO ZR Reactor.
* MAKE WAVES AT YOUR OWN RISK. Please see additional warnings on page 5.
